

Rabies Vaccination and Rabies Neutralising Antibody Titre Test (RNATT) Declaration

Personal information means any information or opinion about an identified, or reasonably identifiable, individual. The collection of personal information by the Department of Agriculture in relation to this form is authorised under the Quarantine Act 1908 for the purpose of conducting a quarantine assessment of your product and to determine if an import permit may be granted. If the relevant personal information requested in this application is not provided by you, the department will be unable to grant an import permit. Personal information may be disclosed to other Australian persons or organisations where necessary for these purposes, provided the disclosure is consistent with relevant laws, in particular the [Privacy Act 1988](#). Your personal information will be used and stored in accordance with the Privacy Principles. By completing this form you consent to the Department of Agriculture using the information provided in this application in the manner stated above. The department's [Privacy Policy](#), including information about access to and correction of your personal information is available on the departmental website.

It is a criminal offence under the Criminal Code Act 1995 to knowingly give false or misleading information to a Commonwealth officer exercising powers under Commonwealth law. This offence carries a potential penalty of 12 months' imprisonment.

Official Veterinarian declaration

The RNATT Declaration must be completed when importing animals from a category 3 country. The declaration must be completed, signed and stamped by an Official Veterinarian of the Government of the exporting country. An Import Permit will not be issued if any part of this declaration is blank.

All treatments, vaccinations, testing and collection of blood samples must be performed in a country approved by the Australian Government Department of Agriculture. If these procedures are performed in a non-approved country they will not be recognised for import purposes - <http://www.daff.gov.au/biosecurity/cat-dogs>.

I, _____ (Name of Official Veterinarian),

employed by _____

(Relevant government agency of the exporting country and the address)
